This page (together with the documents referred to on it) tells you the conditions of on which you may make use of our Qameta Software Inc. website (<https://qameta.io/>) referred herein after as “the Website”. Please read these Conditions of use carefully before you start to use the Website.

Acceptance

The information and content contained in the Website are provided subject to the following Terms and Conditions. Your access to this Website and continued usage constitutes complete acceptance of these terms and conditions.

Purpose of the Website

The present site is intended to provide information about Qameta Software Inc. and its subsidiaries and affiliates (“Qameta Software Inc. ”), its organization, the products and services offered by its divisions, and its share performance. However, this information represents only a presentation of Qameta Software Inc. ’s products and services and is not contractually binding. To enter into any form of contractual agreement, please contact the parent company or one of its subsidiaries directly.

Warranties and liability

The information provided on this site is free of charge and for informational purposes only and does not create a business or professional services relationship between you and Qameta Software Inc. . Any use you make of the information provided on this site, or any site or service linked to by this site, is at your own risk.

Although Qameta Software Inc. uses reasonable efforts to include accurate and up-to-date information in this Website, this Website may include inaccuracies, outdated information or typographical errors. Therefore, Qameta Software Inc. makes no warranties or representations as to the accuracy or completeness of any information contained herein. Further, Qameta Software Inc. assumes no liability, obligation or responsibility for any errors or omissions in the content of this site. The use of the elements of this Website, any information included therein as well as the access to this site are of the sole responsibility of the user. Qameta Software Inc. disclaims any liability for any damage whatsoever, including without limitation the indirect, consequential or incidental damages, including but not limited to lost profits or revenues, business interruption, loss of data arising out of or in connection with the use, inability to use or reliance on any material contained in this site or any linked site that may result from access to this site and the use in whole or in part of the elements or information contained therein.

Qameta Software Inc. does not guarantee in any way uninterrupted access to this Website as well as the security of the site and the absence of any viruses or other undesirable hosts (including in the elements of the Website and in the information which is incorporated there).

Modification

Qameta Software Inc. can modify and update at any moment, and without any kind of notice, the content published on this Website or any other contained information.

Third party websites

This Website provides links to third-party websites, which are not under the control of and are not maintained by Qameta Software Inc. . Such links are provided for your convenience and do not imply approval or endorsement by Qameta Software Inc. of the linked sites. Qameta Software Inc. has not reviewed any or all of the sites linked to this site and is thus not responsible for the content of those sites or any of the off-site pages or any other sites linked to those sites.

Uploading material to the Website

Any information or request for information that you may send to Qameta Software Inc. via the site or via e-mail to which the site may give access, is considered non-confidential. Qameta Software Inc. does not assume any obligation to monitor the information that you may post on its Website. By submitting any information or material, you give the Company an unlimited and irrevocable license to use, execute, show, modify and transmit such information, Material or comments, including any underlying idea, concept or know-how (the term "Material" is intended to cover all projects, files or other attachments sent to us). The Company reserves the right to use such information in any way it chooses. Qameta Software Inc. reserves the right at all times, in its sole discretion, to screen content submitted by you and to edit, move, delete, and/or refuse to accept any content that in Qameta Software Inc. 's judgment violates these Terms of Use or is otherwise unacceptable or inappropriate, whether for legal or other reasons.

You warrant that any information, materials, projects, files, attachments or comments sent to us, other than personal data, that you may transmit to Qameta Software Inc. through the Website does not infringe intellectual property rights or any other applicable law. Such information provided will be treated as non-confidential.

By submitting material on this Website, you grant Qameta Software Inc. , and anyone authorized by Qameta Software Inc. , a royalty-free, perpetual, irrevocable, non-exclusive, unrestricted, worldwide license to use, copy, modify, transmit, sell, exploit, create derivative works from, distribute, and/or publicly perform or display such material, in whole or in part, in any manner or medium (whether now known or hereafter developed), for any purpose that Qameta Software Inc. may choose.

Applicable Law

In the event that any portion of these Terms and Conditions is held to be unenforceable, the unenforceable portion shall be construed in accordance with applicable law as nearly as possible to reflect the original intentions of the parties and the remainder of the provisions shall remain in full force and effect.

Qameta Software Inc. 's failure to insist upon or enforce strict performance of any provision of this Agreement shall not be construed as a waiver of any provision or right. Neither the course of conduct between any party referred to herein nor trade practice shall act to modify any provision of these Terms and Conditions.

These Terms and Conditions shall be governed by and construed in accordance with US law. Any cause of action against Qameta Software Inc. must be commenced in USA.

Press Releases

Qameta Software Inc. press releases are presented on this Website for historical purposes only.
